MENTOR-MENTEE PROGRAMME

As per the latest requirement from NAAC, all the students are required to have a Teacher Mentor in the Department. Students have been allocated to all the faculty members. The faculty members are requested to note the following regarding the Mentor-Mentee Programme:

- Teacher mentor is required to provide general guidance, basically provide a helping hand to the student whenever the student so desires, over and above the normal classroom work.
- Details of the Mentees (Name, Address, Contact details, Name and Contact details of Parents/Guardians etc.) are to be kept with Mentor.
- Meetings should be regularly scheduled with the Mentees as per the convenience of the Mentor, to discuss specific issues/concerns of Mentees.
- A record of such meetings should be maintained in the Notebook issued to each Mentor.
